A decorative graphic on the right side of the page features a large, light gray circular shape. Inside this circle, the text 'Specializing in face and body wellness' is centered. The background of the graphic is filled with various colorful elements: butterflies in shades of pink, purple, blue, and yellow; green leaves on a branch; and small, colorful flowers and dots in pink, orange, and blue. The overall aesthetic is soft and natural.

SKIN CARE STUDIO

Menu of services

Featuring [comfort zone] face treatments

Absolute Pearl Radiance Facial (75 minutes) \$95
The Absolute Pearl system by [comfort zone] offers high performance ingredients to help imbalanced pigment and is suited for all skin types. Crushed pearl powder nourishes the skin and slows down the aging process. It is also a powerful anti-oxidant and has moisturizing benefits. Salicylic acid is also present in the absolute pearl system and is well known for gentle renewal of the skin.

Hydramemory (60 minutes) \$70
Deep hydrating treatment restores hydration for dry and dehydrated skins. Great during change of seasons or difficult weather conditions.

Active Pureness (60 minutes) \$70
A customized facial for imbalanced skin, thanks to the possibility of choosing masks which incorporate deep cleansing, firming or hydrating benefits. Great for teens!

Skin Resonance (60 minutes) \$70
This is the answer for sensitive skin. Gentle exfoliation and relaxing massage techniques make this a treatment you don't want to miss. Customized mask will be applied according to your specific needs.

Chrono Reverser (60 minutes) \$80
The gradual way to exfoliate with poly-hydroxy acids, vitamin c and arginine. No redness, peeling or sensitivities, just radiant, smoother, more hydrated skin.

Action Sublime w/Collagen (75 minutes) \$95
An extraordinary anti-aging treatment with retinols, hyaluronic acid and lacto proteins that visibly reduce wrinkles and add vitality to the skin.

Sadukee Signature Facial (75 minutes) \$105
The ultimate in luxury facials includes chrono reverser, collagen and retinols along with our eye zone mask and lip blooming treatment. A necessary indulgence.

Eye Zone treatment (add on to facial) \$15

Eye Zone a la carte (30 minutes) \$45
This is a great treatment for tired eyes, dark circles and puffiness when you are pressed for time and need to refresh. Includes neck and shoulder attention and scalp massage.

For the Body

EXCLUSIVE Body Contour by M'lis (90 minutes)
An internal cleansing wrap that uses herbal formulations which work externally to internally. This type of program aids in the removal of wastes that have become trapped in vulnerable parts of our bodies. It cleanses the tissues underneath the skin and helps to restore elasticity to loose, flabby skin. It does not dehydrate or age the skin. The healthiest type of wrap system that detoxifies the cells, treating cellulite where it begins.

One treatment \$90
Series of three \$240 (pre-paid)
Series of six \$450 (pre-paid)

[comfort zone] D-age firming body treatment (75 minutes) \$65
Prepare your skin for winter and get rid of that dead, dull skin. A gentle exfoliation is followed by an application of d-age concentrate then a thermal sheet is wrapped around you to keep in the heat. All gently removed with warm towels followed by d-age body cream. The skin is left silky and smoothed.
